# The most beautiful bays of Argentario

---

It is one of the excursions that we recommend because the coves of the coast are very beautiful and varied from a morphological point of view.

In this case we will stop in the most beautiful and exclusive coves, reachable only by boat or anyway hardly on foot, such as: cala dei Santi, sassi piatti, punta Ciana, isola Rossa le cannelle.

In the middle of the morning we will serve some bruschetta, prosecco and drinks.

At about 13,00 we organize ourselves for a delicious spaghetti with clams or similar dish, wine, soft drinks and coffee. Other types of menu on request.

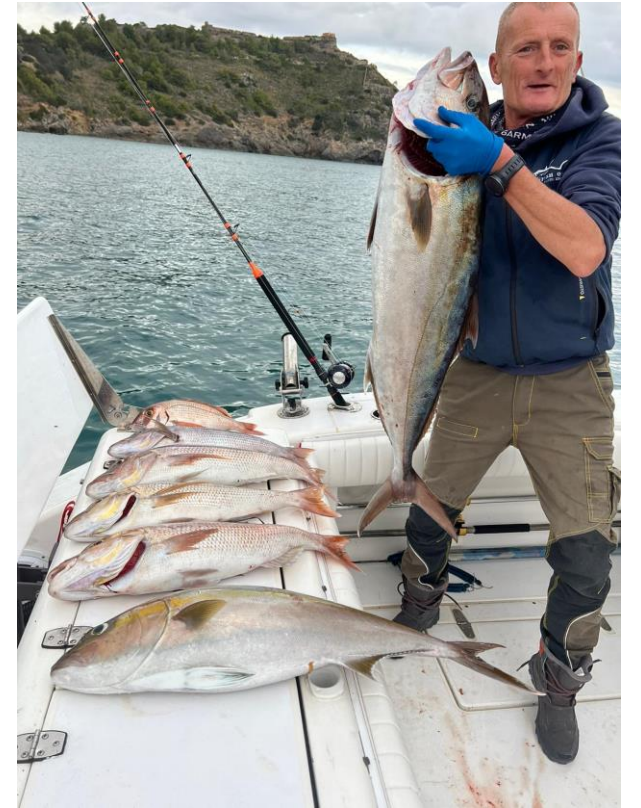

The Fish On offers to our customers the use of fishing rods also electric. On request, possibility of deep fishing and tuna drifting.

**\*Departure from Cala Galera 10:00. Return to the port at 18:00**

**\*Price per person Fish One €160**

**\*Price per person Fish One April/May/June €140**

**\*We recommend you to bring towel, sunscreen and hat. Towels rental on request**

# Giannutri island

# Giannutri island

---

The island of Giannutri called "Island of the seagulls" has an ancient history testified by interesting remains of Roman settlements and wrecks of merchant ships that lie on the seabed of this stretch of sea. From the vague shape of crescent moon and seabed rich in life, is the southernmost of the islands of the archipelago. The coast, almost totally rocky, has only two pebble beaches which are located in Cala Spalmatoio and Cala Maestra.

In the middle of the morning we will serve some bruschetta, coffee and drinks. At about 13,00 we will organize the lunch that normally will be based on a first course (riso or pasta salad), dessert, coffee, wine and drinks. Other types of menus on request.
