

AGRITURISMO BURATTA

- Located inside the Uccellina Wildlife Park, on the hill above the Talamone gulf, the holiday farm has a privileged position which offers the view of the sea while dominating the underlying valley as far as the eye can see where you can observe horses, deers, boars and many more birds species, by simply being relaxed on the garden terrace.

- The many restaurants and typical gastronomy allow gourmets to know and appreciate the products of the territory and the most traditional recipes of the local cuisine.
- Clients have at their disposition everything they need to set a table under the porch or inside the most peaceful and green little garden, where they can order typical local plates of the Tuscan Maremma and help themselves at the starter counter to have a bellyful of the specialties of the area.
