

BOUTIQUE HOTEL TORRE DI CALA PICCOLA

- The Boutique Hotel Torre di Cala Piccola it's named after the Saracen Tower built during the XV sec. by the Pisans. It is exactly from this watchtower, remained intact over the centuries, that the dream of the businessman Carlo Bertuzzi and his companion Nina Benini started.
- The couple buys the tower in 1957 thinking of a high quality and welcoming building immersed in the unique nature of the Argentario area.

“ESCAPE FROM REALITY”

- Boutique Ristorante di Cala Piccola is located on the cliff-side above the sea of the Argentario, in panoramic position contemplating the cliffs of the bay, the sea and the Giglio and Giannutri isles. Porto Santo Stefano is at only 15 min. away, while Porto Ercole is 30 min. away.
- The location is characterized by terraces linked by little staircaises and nature, a place to find yourself in close contact with the nature.

- During the years, Torre di Cala Piccola hosts the passionate love between Liz Taylor and Richard Burton and important political and showbiz personalities, becoming a popular destination for the travellers of the whole world.

LUXURY IS A STATE OF MIND

- From 2019 the Cala Piccola Tower began a transformation process as a Boutique Hotel: the location wants to offer to the guests an authentic tuscan experienca, in a place wher the silence, the privacy and the views over the Argentario sea still are the real luxury.
