

# RISTORANTE LA CALETTA

# Restaurant right by the sea

## ARGENTARIO BOUTIQUE HOTEL

- ✓ Argentario's historic La Caletta Restaurant is located in the centre of Porto Santo Stefano, on a small beach from which it takes its name.
- ✓ Its location is unique: on the sea, in a quiet area that allows you to reach in a few steps the main square of the town and the promenade and enjoy the wonderful attractions of this pearl of Tuscany.

# THE CHEF ON THE TERRACE

- ✓ During the summer season, the restaurant offers the "Chef on the Terrace" formula with a tasting dinner of express dishes, accompanied by a rich calendar of live music for evenings dedicated to taste and relaxation.
- ✓ Once you have entered the terrace, a selection of dishes cooked before your eyes awaits you for a real journey in search of traditional and innovative flavours.
- ✓ In fact, this year the novelty is represented by the presence of a cooking system in motion, a large "pan" (as we affectionately call it) in which our chef will give life to delicious dishes whose ingredients are carefully chosen every day, favoring the short chain and organic farming, to give guests moments of pure lightness and organic farming, to give guests moments of pure lightness and pleasure.

# CELESTE RESTAURANT

## SCENTS AND FLAVOURS OF ARGENTARIO

Both in the splendid large dining room with windows overlooking the sea and, in fine weather, on the panoramic outdoor terrace, you can enjoy dishes based on the freshest local fish, with the possibility of choosing from a wide variety of menus.
