BRUNI

MAREMMA TOSCANA

AZIENDA BRUNI

Going down to the south of Tuscany, populated by small cities, villages and castles it is easy to bump into the silences and the Maremma aromas.

Cantina Bruni started as a simple passion in 1974, but today has become one of the most important private reality of the Tuscan Maremma.

Locality La Marta.

THE WINERY

- Azienda Bruni boasts a 40 ha. Of vines, with a production of more than 320.000 bottles per year. The main production is Morellino di Scansano wine, but they produce also Vermentino, Cabernet, Alicante, Rossi Internazionali and IGT wines of the Tuscan Maremma.
- Today we are proud to represent a dream born in Maremma in 1960.

WINES

MARTETO

Docg Morellino di Sansano.
85% Sangiovese - 10 % syrah - 5% Alicante

Cornerstone of the enological production business, this wine represents the first produced Morellino. Named after the area in which the winery «La Marta» is located. From the union between the Morellino (85%), the Syrah and the Alicante grapes, an intense ruby coloured with cherry scents and blueberries ennobled by a vanilla-flavoured touch wine comes from. It is inside the mouth that this wine express all its character and warmth, full-bodiedness and softness.

MORESCO

IGT Maremma Toscana
70% Sangiovese - 30% Cabernet Sauvignon

In memory of the so called «Moreschi» people who used to raid along the Maremman coasts. This is a product that for its history and identity, is fully aware of its winery maremman vocation. From the union of the most important grapes in the world, this intense ruby coloured with red fruits scent joined to a spicy touch wine comes from. Inside the mouth is full-bodied, strong and captivating in its tannic component.

SYRAH

IGT Maremma Toscana
100% Syrah

A grape characterized by a great generosity in all its structural components. The colour is an intense red, the scents are spices with a chocolate touch; inside the mouth is fresh and sapid.

REGGIO ROSSO

IGT Maremma Toscana

85% Sangiovese - 10% Cabernet - 5%
Ciliegiolo

A perfect representation of a fresh, lively and fruity wine typical of the enological maremman expression. This is a daily wine that gets along both with meat and game.

PLINIO

IGT Maremma Toscana

85% Vementino - 15% Viogner

Onour to our most important white wine. The winery is considered to be the pioneer for the Vermentino production of the Maremman area; the first bottling was in 1982. A straw-coloured wine with a scent of exotic fruits and flowers; its aroma last long and the mouth remains sapid and full with a sweet final touch.
